My Soul to Take

Pretty Maids

Can' see you, but I feel you
So strong within
Been sliding, now I'm trying
To crawl back again
Cause my world is build
Around you
That's why I beg you toMy soul to take
Lift me to a higher ground
My soul to take
Always keep me safe and sound
Cause I've burned my bridges, ohh
For much to long
My soul to take
I betrayed you
Been unfaithful
Right down the line
I lied to you, I denied you to
Time after timeI give in to sweet surrender
I beg I pray I please
