

Saying Goodbye Again

Rollins Band

Here it is, on the news
Someone I know is now someone I knew
I can't believe it happened again Another mound, another one down
Hounded by a lie into the ground
Madness just has got no place to go So sick of saying goodbye again
So sick of saying goodbye again
So sick of saying goodbye again Rebel in the dirt, what was it worth?
I'm left with grief and so much hurt
So much lost, so much pain
So much sorrow and so much strain So much anger, so much rage
No the sadness never fades
You're gone, I'm left to move on Seems like I'm saying goodbye again
Seems like I'm saying goodbye again
Seems like I'm saying goodbye again
Seems like I'm saying goodbye So young, too late, so sad, goodbye
So young, too late, so sad, goodbye So young, too late, so sad, goodbye
So young, too late, so sad, goodbye Just last week I saw you hanging out
Who would have known you had two days to live?
I left town and heard that you did too
The difference is I can come back, I can come back So sick of saying goodbye again
So sick of saying goodbye again
So sick of saying goodbye again
So sick of saying goodbye So young, too late, so sad, goodbye
So young, too late, so sad, goodbye
So young, too late, so sad, goodbye
Goodbye, goodbye, goodbye
