Saying Goodbye Again

Rollins Band

Here it is, on the news

Someone I know is now someone I knew

I can't believe it happened againAnother mound, another one down

Hounded by a lie into the ground

Madness just has got no place to goSo sick of saying goodbye again

So sick of saying goodbye again

So sick of saying goodbye againRebel in the dirt, what was it worth?

I'm left with grief and so much hurt

So much lost, so much pain

So much sorrow and so much strainSo much anger, so much rage

No the sadness never fades

You're gone, I'm left to move onSeems like I'm saying goodbye again

Seems like I'm saying goodbye again

Seems like I'm saying goodbye again

Seems like I'm saying goodbyeSo young, too late, so sad, goodbye

So young, too late, so sad, goodbyeSo young, too late, so sad, goodbye

So young, too late, so sad, goodbyeJust last week I saw you hanging out

Who would have known you had two days to live?

I left town and heard that you did too

The difference is I can come back, I can come backSo sick of saying goodbye again

So sick of saying goodbye again

So sick of saying goodbye again

So sick of saying goodbyeSo young, too late, so sad, goodbye

So young, too late, so sad, goodbye

So young, too late, so sad, goodbye

Goodbye, goodbye, goodbye
