

# Chasing Cars

## Sleeping at Last

We'll do it all  
Everything  
On our own We don't need  
Anything  
Or anyone If I lay here  
If I just lay here  
Would you lie with me and just forget the world? I don't quite know  
How to say  
How I feel  
Those three words  
Are said too much  
They're not enough And if I lay here  
If I just lay here  
Would you lie with me and just forget the world?  
Forget what we're told  
Before we get too old  
Show me a garden that's bursting into life Let's waste time  
Chasing cars  
Around our heads And if I lay here  
If I just lay here  
Would you lie with me and just forget the world?  
Forget what we're told  
Before we get too old  
Show me a garden that's bursting into life All that I am  
All that I ever was  
Is here in your perfect eyes, they're all I can see  
I don't know where  
Confused about how as well  
Just know that these things will never change for us at all And if I lay here  
If I just lay here  
Would you lie with me and just forget the world?
