

# 31 Minutes To Takeoff (Gianni Marino Remix)

[Mike Posner](#)

Do you recall?  
I told you,  
This was just a matter of time.Do you recall?  
I told you,  
We would end up saying goodbye.And it won't be long  
Before you, try to shoot me out of the sky.Do you recall?  
I told you,  
This was just a matter of tick tick tick tick
