

Three Time Loser

Bonnie Raitt

I wonder how many teardrops gonna fall tonight?
I wonder how many heartaches gonna a woman have in one life? I lost a lover, lost my friend
I'm through with love, I just can't win I'm a three time loser, three time loser I wonder how many hours for true
love I will have to wait
I wonder how many heartaches for true love I will have to wait Lost love once, lost love twice
What kind of love is worth that price Three time loser
One two three into into three
A three time loser I wonder how many hours for true love I will have to wait
I wonder how many heartaches for true love I will have to wait I lost a lover, lost my friend
I'm through with love and I just can't win Three time loser babe
One two three into into three
Three time loser Lost love once, lost it twice
What kind of love is worth that price Three time loser babe, see I'm three time loser babe
