Mystical Style of Life

Dubbinance

Itâ€™s a mystical style of life,

Oh girl wonâ€™t you come tonight

Cause it's Dubbinance jamming night

Oh why wonâ€™t you stay tonight

Oh babe I didnâ€™t tell you this, but babe you look fly tonight

If youâ€™re in the sky tonight oh honey, Iâ€™m not afraid of heights

Dubbinance is playing tonight, so you better make sure

The vanilla kush is rolled right, cause after the show

Youâ€™re the one going home with me tonight

Itâ€™s a mystical style of life,

Oh girl wonâ€™t you come tonight

Cause it's Dubbinance jamming night

Oh why wonâ€™t you stay tonight

Something that every human being deserves in life,

At times I see the sunrise, only reminds me of your beautiful smile

Maybe it took me more than a little while

To see perspectives from your eyes, but since youâ€™re

Here, oh why wonâ€™t you stay tonight

Itâ€™s a mystical style of life

Oh girl wonâ€™t you come tonight

Cause it's Dubbinance jamming night

Oh why wonâ€™t you stay tonight

Itâ€™s a mystical style of life (2x)

Itâ€™s a mystical style of life

Oh girl wonâ€™t you come tonight

Cause it's Dubbinance jamming night

Oh why wonâ€™t you stay tonight
