Pretty Shitty

Ex Cops

So down
So on top of you
I was the mouse
Playing against your rulesHey, did you want me to stay with you?
Hey, won't you pick up your phone and call me?How could you be so shitty
To a girl so pretty?
Everytime I try to hold ya
You will run right home toI won't stay away from you
Even if you want me to
Tell me baby,
How could you be so shitty?
I 'm fine staying inside my room
Take it away
I'm in a toned down moodHey, could you pick up your phone and call me?
Call me?How could you be so shitty
To a girl so pretty?
Everytime I try to hold ya
You will run right home toI won't stay away from you
Even if you want me to
Sick inside I hope to die
Paralyzed from peoples' lies
ShittyBut you are
On my mind
And all you say
Is baby, halfway baby
How could you be so shitty
To a girl so pretty?
Everytime I try to hold ya
You will run right home toPretty
ShittyHow could you be so?
