

Always

Paul McCartney

everything went wrong and the whole day long

i'd feel so blue.

for the longest while i'd forget to smile

then i met you.

now that my blue days have passed,

now that i've found you at last,

chorus:

i'll be loving you always,

with a love as true always.

when the things you plan need a helping hand,

i will understand always, always.

days may not be fair always.

that's when i'll be there, always,

not for just an hour,

not for just a day,

not for just a year but always.

days may not be fair always.

that's when i'll be there, always,

not for just an hour,

not for just a day,

not for just a year but always.
