

Ugly Model Mannequin

Cane Hill

Yeah! Hello again, it's been awhile
How do you sleep with your crooked smile?
Oh what a shame that you've become
A bad excuse for bleeding gums
You had your chance when we were young
But now you sleep with eyes open
In Hollywood you aim to be
The ugly son of Los Angeles
Separated, aggravated
I want your ugly idol mannequin
Overrated, contaminated now
I want your ugly idol mannequin
Ugly idol mannequin
You beg for more when time is up
You pray for war to feel the love
You cut your lips in dreams of doubt
The queen to be in disco south
Separated, aggravated
I want your ugly idol mannequin
Overrated, contaminated now
I want your ugly idol mannequin
I want your ugly idol mannequin
I want it, I need it
Separated, aggravated
I want your ugly idol mannequin
Overrated, contaminated now
I want your ugly idol mannequin
Ugly idol mannequin
God dammit I got cottonmouth
