Made In The Shade

The OK Social Club

1 2 3 4 and
When I look in your face, baby
When I look in your eyes
I can tell pretty mama, I been wastin' time
Well, you don't really love me
You just want me for what I am
But you best treat me right, woman
Gonna lose your money, man
Well, when I first met you, baby, you was a red light girl
But I tried to take you to a better world
But you would not listen

Still you think I am a fool
Well, you had it made in the shade, baby
Don't let that tree fall down on you
Well, I work for the railroad each and every day
Well, I work real hard tryin' to make my pay
Lord, I never tell you what you supposed to do
Girl, you had it made in the shade, honey
Don't let that tree fall down on you
Well, you had it made in the shade, sugar
Don't let that tree fall down on you
Girl, you're a silly fool
