We Want It All

Zack De La Rocha

There they are now
The master of lawThrowing flowers on a casket of our broken dreams
Most thieves are silent
But these ones scream
These ones screamWe want it allWe want it allI heard you talkin' my friend
I think you lost your mind
That somebody's listenin'
And then biding their timeSomebody's watchin'
Cause we wouldn't fight
For someone else's war
Could you hold on a second
For a second someone's at my door
Screaming hate is love
And fiction is fact
Honesty is disease
That silence is security
And war is peace
'Cause we want it allWe want it all
