

Time To Let Me Go

Gloriana

Every time I had a problem didn't know what I should do
Singing oh, I would run to you
You were there to guide me, always there to pull me through
Singing oh, I would run to you, run to you
But I'm tired of walking in your shadow
So by this time tomorrow I'll be on a plane singing
I never meant to hurt you, you know how much I love you
I know you love me so but it's time to let me go
I gotta learn to be myself, won't happen if I stay
Singing oh, gotta get away
We could talk it over but there's nothing left to say

Singing oh, gotta get away, get away
But I'm tired of walking in your shadow
So by this time tomorrow I'll be on a plane singing
I never meant to hurt you, you know how much I love you
I know you love me so but it's time to let me go
Tired of walking in your shadow
So by this time tomorrow I'll be on a plane singing
I never meant to hurt you, you know how much I love you
I know you love me so but it's time to let me go
Time to let me go, time to let me go
