

# Lionheart(Demo Version)

## Blind Guardian

Just let me out of here  
Speak to me  
It all would be easier  
I want to talk to you  
Who is that?  
Do I hear a whisper?  
Or do I hear a cry?  
Across the brown land  
The stumps of timeOh turn the wheel and heal me  
Since moonlights fade  
I'm empty - heal meI'm in search of the Lion heart  
I am ashamed  
I myself can't make it  
Drown Ulysses  
Drown here in the silence  
Cause down to Hades I've gone  
But I cannot get outDown below  
I can't free my mind  
Soon I will fade away  
Down below  
I can't free my mind  
Soon I will fade "Tic Tac" is the message  
And the lunatic fears  
He is no moreSpeak to me  
It all would be easier  
While I'm passing by  
What's that?  
Do I hear a whisper?  
Or do I hear a cry?  
Across the brown land  
The ghost arrivesPick up my bones and  
Tell me  
Is this the "Lake of Fire" ?  
Hell?  
PleaseI'm in search of the Lion heart  
Nobody else  
But the pure can save me  
Drown Ulysses  
Drown here in the silence

Cause down to Hades I've gone  
But I cannot get outRuins rule my memories  
I can't recall the signs  
Invite the dead  
Then silence struck my mindSilence is madness  
"Tic Tac Tic Tactic"  
Says the clockJust let me out of here  
Speak to me  
It all would be easier  
I want to talk to you  
Hear meWelcome to this sad place  
And hand me what is mine  
I'm the Theban prophet  
The dead and blindAnd from the sea you'll feel me  
Then you'll breath out gently  
Leave meI'm in search of the Lion heart  
I am ashamed  
I myself can't make it  
Drown Ulysses  
Drown here in the silence  
Cause down to Hades I've gone  
But I cannot get out
