Dance With Me

Robert Shirey Kelly

I love the way
Your eyes light up
Your hands on my face
And all the world fades
and it's just us.

I feel the same
But different too
This ever changing
Steady waving
I love you

Oh and I'm all yours now

Won't you dance with me
Won't you dance with me
I wanna spin you around
I wanna spin you around

I've counted the days
The weeks and the months
I've been turning the pages
While you and me
turned into us

Now darling we're here
It's coming true
Forever is right here for the taking
and I do

Oh and I'm all yours now

Won't you dance with me
Won't you dance with me
I wanna spin you around
I wanna spin you around

I've been holding my breath
Wondering if all the stories were true
I stared to forget greys skies ever turned blue

Until I met you

So dance with me
Dance with me
I wanna spin you around
I wanna spin you around

Won't you dance with me
Won't you dance with me
I wanna spin you around
I wanna spin you around

I'm all yours now
