

# In My Arms

**Teddy Thompson**

Got an easy place to be  
In my arms, in my arms  
Got a simple space to feel free  
In my arms, oh in my arms Keep it on the recent  
Keep it on the now  
Give me an easy way out It's a lonely world that I got  
In my arms, ooh in my arms  
Got a lotta room to get lost  
In my arms, oh in my arms Keep it on the recent  
Keep it on the now  
Give me an easy way to get out Keep it on the recent  
Keep it on the now  
Give me an easy way out Got an easy place to be  
In my arms, oh in my arms  
Not much to fear from me  
In my arms, oh in my arms  
In my arms
