

# Bottom of the River

Delta Rae

Hold my hand  
Ooh, baby, its a long way down to the bottom of the river  
Hold my hand,  
Ooh, baby, its a long way down, a long way down If you get sleep or if you get none  
The cops gonna call in the morning, baby  
Check the cupboard for your daddys gun  
Red sun rises like an early warning  
The Lords gonna come for your first born son  
His hairs on fire and his heart is burning  
Go to the river where the water runs  
Wash him deep where the tides are turning And if you fall, and if you fall Hold my hand  
Ooh, baby, its a long way down to the bottom of the river  
Hold my hand,  
Ooh, baby, its a long way down, a long way down The wolves will chase you by the pale moonlight  
Drunk and driven by a devils hunger  
Drive your son like a railroad spike  
Into the water, let it pull him under  
Dont you lift him, let him drown alive  
The good Lord speaks like a rolling thunder  
Let that fever make the water rise  
And let the river run dry And I said Hold my hand  
Ooh, baby, its a long way down to the bottom of the river  
Hold my hand,  
Ooh baby, it's a long way down, a long way down  
Hold my hand,  
Ooh baby it's a long way, a long long long way  
Hold my hand,  
Ooh baby it's a long way down, a long way down.
