

# Breakin' Up

## Rilo Kiley

It's not as if New York City burnt down to the ground  
Once you drove away  
It's not as if the sun won't shine  
When clouds up above  
Wash the blues away  
Are we breakin' up?  
(Breakin up)  
Are we breakin' up?  
(Breakin' up)

Is there trouble between you and I?  
Did my heart break enough?  
(Break enough)  
Did it Break enough this time  
(Break enough)

Here's to all the pretty words we will never speak  
Here's to all the pretty girls you're gonna meet  
Am I breakin up?  
(Breakin up)  
Am I Breakin up  
Is there trouble on the line?  
Did your heart break enough?  
(Break enough)  
Did it Break enough this time  
(Break enough)

Ooooh, it feels good to be free  
Oooh it feels good to be free  
Oooh it feels good to be free  
Betrayal is a thorny crown  
You wear it well  
Just like a king  
Revenge is the saddest thing  
Honey, I'm afraid to say  
You deserve everything  
Am I breakin up?  
(Breakin up)  
Are we breakin up?

Is there trouble between the lines?  
Did your heart break enough?

(Break enough)  
Did it break enough?  
(Break enough)  
Break enough this time?  
Ooooh, it feels good to be free  
Oooh it feels good to be free  
Oooh it feels good to be free  
(x 3)
