

I Won't Forget You

Loretta Lynn

I know that I won't forget you
For I've loved you too much for too long
Though you don't want me now
I'll still love you till the breath in my body is gone
That's how it is with me
And you'll always be the only love I ever knew
I'll forget many things in my lifetime
But darling I won't forget you That's how it is with me
And you'll always be the only love I ever knew
I'll forget many things in my lifetime
But darling I won't forget you
