

# Could Be

## Naked Eyes

Could be, it is my mistake  
Could be, that I'm here too late  
Could be, there's a hole in my wonderful world I know, that there's something wrong  
You said, that you'd be along  
But now, I can see that you're not gonna come Sitting in this room with these people  
It's just like a fantasy  
Loneliness in such a crowd, I can see Could be, it is my mistake  
Could be, that I'm here too late  
Could be, there's a hole in my wonderful world Everyone I meet seems to be a part of the conspiracy  
Looking at me with those searching eyes  
Can they see? Could be, it is my mistake  
Could be, that I'm here too late  
Could be, there's a hole in my wonderful world In my world  
Ooh in my world
