

# Secrets

## The Crash

Will you understand what I cannot say  
Will you read my thoughts on and on again  
Will you feel this way more and more and more  
Who do you love now  
or on the whole

Hello  
All I want is you  
Hey you  
give it up  
You cannot resist these secrets

So uneasily you and I will meet  
Only secretly you and I feel  
Who do you love now  
or on the whole?

Hello  
all I want is you  
Hey you  
give it up  
You cannot resist these secrets

Nobody should know  
what we should not do  
Only secretly

Hello  
all I want is you  
Hey you  
give yourself away  
Feel it  
give it up  
you cannot resist these secrets

Was it love that was here for a while?  
Or just some-one you knew before  
Did you see where it went  
Did it say what it was  
And could you hear what it said

or whispered  
'bout you and me
