To the Table

Zach Williams

Hear the voice of love that's calling
There's a chair that waits for you
And a Friend who understands
Everything you're going throughBut you keep standing at a distance
In the shadow of your shame
There's a light of hope that's shining
Won't you come and take your placeAnd bring it all to the table
There's nothing He ain't seen before
For all your fear all your sorrow and your sadness
There's a Savior and He calls
Bring it all to the tableHe can see the weight you carry
The fears that hold your heart
But through the cross you've been forgiven
You're accepted as you areSo bring it all to the table
There's nothing He ain't seen before
For all your trials all your worries and your burdens
There's a Savior and He calls
Bring it all to the table
Bring it all
You can bring it all
And come on in take your place
There's no one who's turned away
All you sinners all you saints
Come right in and find your grace
Come on in take your place there's no one who's turned away
All you sinners all you saints
Come on in and find your grace
And bring it all to the table
There's nothing he ain't seen before
For all your sin all your sorrow and your sadness
There's a Savior and he calls
Bring it all to the table
