Do The Vibrate

Black Lips

Rock n roll,
don't mess around
Looking like Elvis,
from the waist down
Lick my love,
from the dire meek
shut your eyes,
we'll make them dilatebut it makes two to mate, wanna vibrate?
put your phone in your crotch, set it on vibrate
do the vibrate!
do the vibrate!
do the vibrate!
Little fly,
stuck in a web
bout some ring tones,
stuck in your head
my OCD,
making you blue
and you will be burning,
when it goes down on you
but it makes you and me wanna vibrate
put your phone in your crotch, set it on vibrate
do the vibrate!
do the vibrate!
do the vibrate!all I'm trying to say...
you'll get a pick up darling
