

Porn Star Dancing

My Darkest Days

Kylie won't kiss my friend Cassandra
Jessica won't play ball
Mandy won't share her friend Miranda
Doesn't anybody live at all?
Amanda won't leave me empty handed
Got her number from the bathroom stall
Brandy just got way too much baggage
And that shit just gets old
But I got a girl who can put on a show
The dollar decides how far you can go
She wraps those hands around that pole
She licks those lips and off we go
She takes it off nice and slow
Because that's porn star dancin'
She don't play nice, she makes me beg
She drops that dress around her legs
And I'm sittin' right by the stage for this
Porn star dancin'
Your body's lightin' up the room
I want a naughty girl like you
There's nothing harder to do
Stacy's gonna save herself for marriage
But that's just not my style
She's got a pair that's nice to stare at
But I want girls gone wild
But I know a place where there's always a show
The dollar decides how far you can go
She wraps those hands around that pole
She licks those lips and off we can go
She takes it off nice and slow
Because that's porn star dancin'
She don't play nice, she makes me beg
She drops that dress around her legs
And I'm sittin' right by the stage for this
Porn star dancin'
Your body's lightin' up the room
I want a naughty girl like you
Let's throw a party just for two
You know those normal girls won't do

She wraps those hands around that pole
She licks those lips and off we can go
She takes it off nice and slow
Because that's porn star dancin'
She don't play nice, she makes me beg
She drops that dress around her legs
And I'm sittin' right by the stage for this
Porn star dancin'
