## **Porn Star Dancing**

## **My Darkest Days**

Kylie won't kiss my friend Cassandra Jessica won't play ball Mandy won't share her friend Miranda Doesn't anybody live at all? Amanda won't leave me empty handed Got her number from the bathroom stall Brandy just got way too much baggage And that shit just gets old But I got a girl who can put on a show The dollar decides how far you can go She wraps those hands around that pole She licks those lips and off we go She takes it off nice and slow Because that's porn star dancin' She don't play nice, she makes me beg She drops that dress around her legs And I'm sittin' right by the stage for this Porn star dancin' Your body's lightin' up the room I want a naughty girl like you There's nothing harder to do Stacy's gonna save herself for marriage But that's just not my style She's got a pair that's nice to stare at But I want girls gone wild But I know a place where there's always a show The dollar decides how far you can go She wraps those hands around that pole She licks those lips and off we can go She takes it off nice and slow Because that's porn star dancin' She don't play nice, she makes me beg She drops that dress around her legs And I'm sittin' right by the stage for this Porn star dancin' Your body's lightin' up the room I want a naughty girl like you Let's throw a party just for two You know those normal girls won't do

She wraps those hands around that pole
She licks those lips and off we can go
She takes it off nice and slow
Because that's porn star dancin'
She don't play nice, she makes me beg
She drops that dress around her legs
And I'm sittin' right by the stage for this
Porn star dancin'
