Evenings

Marble Sounds

You have had it,
Early morning, sorry beach
Every step right to the beach
Not a worry,
You are proud but hurtly vain
They are close but not the sameLet's do what we talk about
We'll take the first way out
We sitting on the falls
This plan makes perfect sense
There's no doubt that
Not a single barricade
No disturbance in our way
I'm sorry, if I put you to the test
If I left too much unsaidLet's do what we talk about
We'll take the first way out
We sitting on the falls
This plan makes perfect sense
Somebody evenings have saved the day
Somebody evenings, they have saved the day
Somebody evenings, they have saved the day
Somebody evenings, they have saved the day
Somebody evenings, they have saved the day
Somebody evenings, they have saved the day.
