

# Hug Me

## Pharrell Williams & Trey Parker

Why do you insist on trying to give me away  
When they were too good and you wanted to shake them, who came? I was your dirty boy, your good, new  
secret toy  
Show me how they get you joy (who stayed in trouble with you?)  
Oh, don't you want some more? Come on, I think they're gone  
Our part is coming on (you're either with me or) Hug me (bring it in)  
Won't you loosen up, won't ya  
Hug me (bring it in)  
I think they wanna take a picture Wake up, you're sleeping on me, playing this stupid game  
Why can't we flex on the world and make them say our name  
Our favorite color's purple, we stay out past the curfew  
My kung-fu grip will hurt you (who stayed in trouble with you?)  
You dyed your hair like me, black so everyone can see  
Your parents couldn't believe (you're either with me or) Hug me (bring it in)  
Would ya loosen up? Would ya  
Hug me? (bring it in)  
I think they wanna take a picture Oh would ya, would ya, would ya, would ya  
Oh would ya, would ya, would ya  
Oh would ya  
Oh would ya, would ya loosen up, would ya  
Oh would ya, would ya  
Oh would ya, would ya  
Oh would ya, would ya  
Would ya wanna take a picture?  
Hug me (bring it in)  
Would ya loosen up? Would ya  
Hug me? (bring it in)  
I think they wanna take a picture  
Hug me (bring it in)  
Would ya loosen up? Would ya  
Hug me? (bring it in)  
I think they wanna take a picture
