Unthinkable

Praise Fellowship (Travis Gandy)

Verse:
That God would give His son for me
I find it hard to believe
That a gift so great could ever be repaid.
But the blood thatâ€™s flowing from His veins
Has washed away my guilty stains
Death was lost and life was gained for me

Pre-Chorus:
Itâ€™s unthinkable, but I still believe
Itâ€™s unthinkable, but I still believe

Chorus:
Iâ€™ve found forgiveness for a life of sin
You bring me healing in my brokenness
You give me purpose for a life un-lived
Itâ€™s all in Your blood
It's all in Your blood
