Let Me Do

SHEL

You don't need a day when skies are blue
You want to be happy I do too
Let me do what I was made to do
Let me do what I'm longing to
Let me say sweet things to you
Let me make all your dreams come true
Let me doYou don't need a bouquet of rare blooms
You don't need a flock of red balloons
Let me do what I was made to do
Let me do what I'm longing to
Let me say sweet things to you
Let me make all your dreams come true
Let me doI don't need a true cut diamond ring
I don't think about those kind of things
Do, do
Let me do what I was made to do
Do
Let me do what I'm longing to
Do
Let me say sweet things to you
Do
Let me make all your dreams come true
Do
