

Coronus, The Terminator

Flying Lotus

'Cause I'd like to save you

Make me talk to you

'Cause I'd like to save you The days of bitter are coming to an end

So come with me, if you want to leave

You can find time where they're not for sale

I need to same too There's nowhere left to go, so I'd like to save you My hand's been bloody since the day I came

It's such a shame, you've seen my violent side Don't make me go the wrong way

'Cause I'd like to save you
