## Fear Factory

Dark bodies floating in darkness  
No sign of light ever given  
Imprisoned in a world without a memory  
Unconscious or am I conscious?  
Cut from the heart I am part of  
Sometimes I feel as though I'm frozen in heavenAnd I saw my own face  
In the dark and loneliness  
And I saw my own face  
Like a spark frozen in heavenIn dreams I see myself flying  
Closer to the sun and I'm climbing  
Tried to touch the sun  
But the brightness burned my eyes  
Unconscious or am I conscious?  
Fell from the sky like a star  
Sometimes I feel as though I'm frozen in heavenAnd I saw my own face  
In the dark and loneliness  
And I saw my own face  
Like a sparkDark, dark, dark  
My life was so  
Dark, dark, dark  
My mind was so  
Dark, dark, dark  
My life was so  
Dark, dark, dark  
Everything was  
(Darker)Unconscious or am I conscious?  
Fell from the sky like a star  
Sometimes I feel as though I'm frozen in heavenAnd I saw my own face  
In the dark and loneliness  
And I saw my own face  
Like a spark frozen in heaven(Dark)
