

# Miss Blonde Your Papa Is Failing

## Of Montreal

Little friend,

What ever happened?

You should know I went down so hard trying to keep the family together,  
The family together.

Sweet friend,

Know I love you and I've been struggling so hard so hard trying to keep the family together,  
The family together.

When I look in your eyes

I see me looking back.

It's kind of creepy how you own my heart.

Yeah, you own my heart.

Yeah, you own my heart.

Let's stay together.

Sweet friend,

Was I born to give you a name and then be erased  
All because I couldn't keep it together,  
Couldn't keep it together?

Little friend,

I know I've made it so, so much harder on us  
And lost you because I  
Couldn't keep it together.

When I look in your eyes

I see me looking back.

It's kind of creepy how you own my heart.

Yeah, you own my heart.

Yeah, you own my heart.

Let's stay together.
