I Know Why

Herman's Hermits

Every time you look at me, I know why
Every time you smile at me, I know why
You are everything to me, everything you'll always be
That's the way it's gonna be, I know whyBridge:
Holding your hand in mine, whispering your name
I know deep in my heart, I'll always feel the same
You are everything to me, everything you'll always be
That's the way it's gonna be, I know whyEvery time you look so fine, I know why
Every time your lips meet mine, I know why
You are everything to me, everything you'll always be
That's the way it's gonna be, I know why(repeat bridge)
