

# Insight

## Depeche Mode

This is an insight  
Into my life  
This is a strange flight  
I'm taking  
My true will carries me along This is a soul dance  
Embracing me  
This is the first chance  
To put things right  
Moving on guided by the light And the spirit of love  
Is rising within me  
Talking to you now  
Telling you clearly  
The fire still burns Wisdom of ages  
Rush over me  
Heighten my senses  
Enlighten me  
Lead me on, eternally And the spirit of love  
Is rising within me  
Talking to you now  
Telling you clearly  
The fire still burns And the spirit of love  
Is rising within me  
Talking to you now  
Telling you clearly  
The fire still burns I'm talking to you now  
The fire still burns  
Whatever you do now  
The world still turns I'm talking to you now  
The fire still burns  
Whatever you do now  
The world still turns I'm talking to you now You gotta give love  
You gotta give love  
You gotta give love  
Give love
