

# Give It Up

Clint Crisher

Driving - the street of life  
There's one thing you'll understand  
You're just along for the ride  
We're sitting on the passenger's side  
Come on yeah hey, your life is prophecized  
The wheels keep on turning  
What will be will be  
It's not up to you or me no no oh oh whoa!  
Come on, and live it up and give it up, it's just that easy  
Come on, and live it up and give it up, it's just that easy  
Makes you hot til you've had enough  
Come on, it's just that easy, come on  
And live it up and give it up, it's just that easy! Pushing - the time is right  
To own the night, it's just that easy  
Just shampoo'd my ride  
It's clean as Tide, oh yeah! oh oh  
So come on, and feel my hide  
So slide inside, quit your bitching and complaining  
If you say it's easy, it's easy  
If you say it's hard, it's so damn hard oh oh  
Come on, and live it up and give it up, it's just that easy  
Come on, and live it up and give it up, it's just that easy  
Makes you hot til you've had enough  
Come on, it's just that easy, come on  
And live it up and give it up, it's just that easy  
Come on! ugh, come on! Do you want the life you've always dreamed of  
Give it up, live it up, it 's just that easy, oh yeah!  
Come on! Give it up! Right now! Give it up!  
Come on, and live it up, and give it up, it's just that easy  
Come on, and live it up, and give it up, it's just that easy  
Come on, it's just that easy, come on  
And live it up and give it up, it's just that easy
