Remember Me

Jennifer Hudson

There you are Yeah you found me Strong enough to break my sleep Say you're hurt Say you're lonely Say I forgot to give you what you need But I promise you gold Yeah I have it hold I was bound to was bound to I couldn't give anymore 'cause it's already yours Look around you, look around youIt's all to you Remember me In those moments just before you sleep I know you'll remember me Swear to me the memories that I see Promise me That it doesn't make your heart beat Doesn't make your heart beat I know you

Oh baby we don't even have to scream Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
