

# Time & Space (Bonus Original Disco Mix)

## Groove Armada

Let it take you  
through the slowly  
Lie hands and there's more  
to let our love growIf all time seems to  
Wait on feeling  
Because it's not  
How we should show our loveAnd I was easy love  
And I wasn't easy enoughTime and Space  
Peel away at angst  
Time and Space  
Learn to let goBaby lean on me  
Help you lean  
Help you lean  
Help you lean on me  
Baby lean  
Baby lean  
Baby lean on me  
Got to lean  
Got to lean  
Got to lean on meAre we joined by both  
Our hearts or limbs  
Only by arms length  
we'll sigh ever showLet go  
Let goAnd I was easy love  
And I wasn't easy enoughTime and Space  
Peel away at angst  
Time and Space  
Just to let goBaby lean on me  
Help you lean  
Help you lean  
Help you lean on me  
Baby lean  
Baby lean  
Baby lean on me  
Got to lean  
Got to lean  
Got to lean on meAnd I was easy love  
And I wasn't easy enough  
And I was easy love

And I wasn't easy enoughLetGo
