

# Good Time

[Kyle Riabko](#)

Today's the perfect day  
So won't you come out to play  
Won't you come out  
Won't you come out to play If tomorrow never came  
That would be okay  
As long as you come  
As long as you come today It will feel so good  
I will feel so fine  
It'll be everything  
All the time We're gonna have a good time  
We're gonna have a good time The skies are always grey  
Whenever you're away  
So won't you come out  
Won't you come out to play If you come with a guarantee  
Of a heart that'll never stray  
Won't you come out  
Won't you come out to play So throw your watch away  
It's a big mistake  
I don't even care how much you paid  
And the calendar  
I hope it never changes
