

Who I Am

After Forever

You hypnotize me
I do not dare to look
You mesmerize me
Don't even dare to feel I want to have it just to prove, I can take control
I want to have it just to show them, I won't be fooled
I'll take it, I'll break it or force it just to let them know
Who I am, who I am I should wait and think it over
I don't want to push, that is not
Who I am, who I am I'll softly touch this
I'll fire up this flame
I'll hold on gently
It's time to lead the game I want to have it just to prove, I can take control
I want to have it just to show them, I won't be fooled
I'll take it, I'll break it or force it just to let them know
Who I am, who I am I should wait and think it over
I don't want to push, that's not
Who I am, who I am I want to have it, I want to break it
And take it, or force it just to let them know
Who I am, who I am I should wait and think it over
I don't want to push, oh, no, that's not
Who I am, who I am
