For Your Entertainment

Unwound

Getting sick of business. overlook what's in us. sugarcoat the palate. lower all our standards.
Cynical awareness. lucky to be careless. everybody's got it. sickened by the thought of it.
Suffer for your sins.
Pay you by the hour.
Follow any trend that comes their way.
They will pick your life apart
And throw away your art.
Finding something new is never hard.
Entertainment.
The hit machine is hissing. do you find it insulting? the critics are all missing the point of what you're doing.
This ugly conversation is getting really boring. we need a new sensation for another story.
Suffer for your sins.
Pay you by the hour.
Follow any trend that comes their way.
They will pick your life apart
And throw away your art.
Finding something new is never hard.
Entertainment.
