

Looking Hot - Jonas Quant Remix

No Doubt

Go ahead and look at me
'Cause that's what I want
Take a good look won't you please
'Cause that's what I want I know you wanna stare
You can't help it and I don't care
So look at me
'Cause that's what I want Do you think I'm looking hot?
Do you think this hits the spot?
I was just looking at me, look at me Do you think I'm looking hot?
Do you think this hits the spot?
I was just looking at me, look at me
Go ahead and stare,
And take a picture please,
If you need.
Anything that says it all. (Love, love, love, love). Chasing it, I don't know why
I think about it a lot
Better hurry, running out of time
I think about it a lot I can't tell anymore
I don't know what I'm looking for
You know what I need
I think about it a lot Do you think I'm looking hot?
Do you think this hits the spot?
I was just looking at me, look at me
Do you think I'm looking hot?
Do you think this hits the spot?
I was just looking at me, look at me Go ahead and stare,
And take a picture please,
If you need.
Anything that says it all. Running on empty but I have had plenty
You're complimentary, but I'm just pretending
Uniform, hide behind there, this is my diversion
Go ahead and stare on my ragamuffin. Feeling so flaking, I dated you take it,
When I'm in the mirror, put on my veneer
I coulda sworn, it's a sure shot
Are you under my convoy,
Go ahead stare ragamuffin. (Love, love, love, love),
(Love, love, love),
(Love, love, love, love). Do you think I'm looking hot?
Do you think this hits the spot?

I was just looking at me, look at meDo you think I'm looking hot?

Do you think this hits the spot?

I was just looking at me, look at meGo ahead and stare

And take a picture please, if you need

Anything that says it all.Do you think I'm looking hot?

Do you think this hits the spot?

I was just looking at me, look at meDo you think I'm looking hot?

Do you think this hits the spot?

I was just looking at me, look at meDo you think I'm looking hot?

Do you think I'm looking hot?

Do you think I'm looking hot?(Love, love, love, love),

(Love, love, love),

(Love, love, love, love).
