

Who Said I Would (Extended Version)

Phil Collins

I know she says she wants me
I hear it every day
And I know she know it keeps me
Well there ain't no other way
But she's got a heart must be made of stone
'Cause when I tell her that she'll miss me when I'm goneShe says
Who said I would
She knows it ain't easy for a simple boy like me
She fills me full of loving
Oh then she sets me free
But she's got a heart must be made of stone
'Cause when I tell her that she'll miss me when I'm goneShe says
Who said I would, tell me, who said I would
Who said I would, who said I wouldI'm not the only one but I do fine
I suit her purpose and I'm just her kind
I don't own her and I never could
Don't think I do, don't think I shouldTell me
Who said I would, who said I wouldBut she's got a heart must be made of stone
And when I tell her that she'll miss me when I'm goneYou're not the only one but you do fine
You suit my purpose and you're just my kind
I don't own me and you never could
Don't think you do, don't think you shouldWho said I would (who said I would)
Now she knows when she calls me
I'll come running every time
And she knows she gets me hot
But she don't know it's her body never mineAnd she's got a heart must be made of stone
'Cause when I tell her that she'll miss me when I'm gone
She says
Who said I would, tell me, who said I would
Who said I would, who said I would
