Stakeout

Freezepop

I know you work across the street
in the indie record store
I'm thinking someday that we'll meet
I'm thinking we'll do something more
I hide behind my magazine
then I see you walk on by
I'm not ready to be seen
I'll just sit right here and spy.I've got a plan in mind for you
I'm waiting till the time is right
I know that you'll like what I do
no need to put up a fight
watching you from far away
you look so sweet and clueless
soon I'll move in on my prey
it's time for me to do thiswatching and waiting
the feeling is elating
biding my time
yeah, I know that you'll soon be mine
soon be minecan't let you see me
can't let you see me
can't let you see me
I'm on a stakeout
I'm on a stakeout
I'm on a stakeout
I'm on a stakeout
