

Like A Girl In Love

Elen Levon

You got me acting like a girl, a girl in love,
Oh oh oh oh.
How you make me like a girl, a girl in love.
This just aint me,
I was about to ring but
I should not be calling you.
I'm the life of the party,
So you can tell me why
Im letting all the boys walk tonight. Look at my behaviour,
I keep acting stranger.
You keep going deeper,
Challenging my nature. You make me go
Oh oh oh oh
You got me acting like a girl, a girl in love
Oh oh oh oh
How you make me like a girl, a girl in love
Oh oh oh oh
You make me go
Oh oh oh oh
You got me acting like a girl, a girl in love
Oh oh oh oh
How you make me like a girl, a girl in love
My friends dont recognize me
They say that I have changed
The only thing Im sure of is you
Look at my behaviour
I keep acting stranger
You keep going deeper
Challenging my nature
You make me go
Oh oh oh oh
You got me acting like a girl, a girl in love
Oh oh oh oh
How you make me like a girl, a girl in love
You make me go
(A girl, a girl in love)
Oh oh oh, oh oh oh
You, you, you make me go, make me go-o-o
Oh oh oh oh

You got me acting like a girl, a girl in love
Oh oh oh oh
How you make me like a girl, a girl in love
Oh oh, oh oh oh oh, oh oh oh
Oh oh, oh oh oh oh, oh oh oh
A girl in love
