

Volcano(feat.Lisa Hannigan)

[Damien Rice](#)

Don't hold yourself like that
cause You'll hurt your knees
well I kissed your mouth, and back
But that's all I need
Don't build your world around
Volcanoes melt you downAnd What I am to you is not real
What I am to you, you do not need
What I am to you is not what you mean to me
You give me miles and miles of mountains
And I'll ask for the seaDon't throw yourself like that
In front of me
I kissed your mouth, your back
Is that all you need?
Don't drag my love around
Volcanoes melt me downWhat I am to you is not real
What I am to you, you do not need
What I am to you is not what you mean to me
You give me miles and miles of mountains
And I'll ask
