

I Don't Feel Like Dancin

Scissor Sisters

Wake up in the morning with a head like 'What ya done?'
This used to be the life but I don't need another one
You like cutting up and carryin' on you wear them gowns
So how come I feel so lonely when you're up gettin' down? So I play along when I hear that special song
I'm gonna be the one that gets it right
You'd better move when you're swingin' 'round the room
Looks like the magic's only yours tonight But I don't feel like dancin' when the old Joanna plays
My heart could take a chance but my two feet can't find a way
You 'dthink that I could muster up a little soft shoe gentle sway
But I don't feel like dancin', no sir, no dancin' today Don't feel like dancin', dancin'
Even if I find nothin' better to do
Don't feel like dancin', dancin'
Why'd you pick up a tune when I'm not in the mood?
Don't feel like dancin', dancin'
Rather be home with the one in the bed till dawn with you Cities come and cities go just like the old empires
When all you do is change your clothes and call that versatile
You got so many colors it'd make a blind man so confused
Then why can't I keep up when you're the only thing I lose? So I'll just pretend that I know which way to bend
And I'm gonna tell the whole world that you're mine
Just please understand when I see you clapped your hands
If you stick around I'm sure that you'll be fine But I don't feel like dancin' when the old Joanna plays
My heart could take a chance but my two feet can't find a way
You think that I could duster up a little soft shoe gentle sway
But I don't feel like dancin', no sir, no dancin' today Don't feel like dancin', dancin'
Even if I find nothin' better to do
Don't feel like dancin', dancin'
Why'd you pick up a tune when I'm not in the mood?
Don't feel like dancin', dancin'
Rather be home with the one in the bed till dawn with you You can't make me dance around
But your two-step makes my chest pound
Just lay me down
As you float away into the shimmer light But I don't feel like dancin' when the old Joanna plays
My heart could take a chance but my two feet can't find a way
You think that I could muster up a little soft shoe gentle sway
But I don't feel like dancin', no sir, no dancin' today Don't feel like dancin', dancin'
Even if I find nothin' better to do
Don't feel like dancin', dancin'
Why'd you pick up a tune when I'm not in the mood?
Don't feel like dancin', dancin'

Rather be home with the one in the bed till dawn with you
