

Taking Off

ONE OK ROCK

Stuck in the same routine
Living an empty dream
When am I gonna wake up
Thought we had it right
Now it's an endless night

Where is it gonna take us Realizing, everything I love is slowly killing me I know I know

We're taking off together

Even though we always crash and burn

Tonight you and I will fall from the sky

Drag me all the way to hell

'Cause I'm never gonna let it go
