

I Don't Remember

[Alberto Monnar](#)

//You said that we were lovers
and that we were together
but honestly, I don't remember

You said that we both dated
and went to many places
but I don't remember

I've only known one love,
and I've never known another one,
and all the things you've said we've done
I don't remember

You said the conversations
we had were so amazing
but honestly, I don't remember

You said we had it going
and that our love was growing,
but I don't remember

It may be just me
but all those memories I don't remember//

I don't remember
