

It Starts With Me

Stick to Your Guns

[Verse 1]

Take a step back! How can this be?
So much begging and pleadin' with no one listenin'
Take a breath now & think of what this really means!

This is my understandin'!
That the life I lead does not belong to me! [Chorus]

It starts with me (oh-oh-Oh-Oh-Oh-oh)

It starts with me (oh-oh-Oh-Oh-Oh-oh)

It starts with me (oh-oh-Oh-Oh-Oh-oh)

It starts with me (oh-oh-Oh-Oh-Oh-oh) [Interlude]

In a world (where) we're doin' what's right

Has been pushed out of our minds

And forced underground

In the back alleys, in places of pity

What choice do we have?

Tell me! What choice do we have?

What choice do I have?!

What choice do I have?!

But to force my own hand! [Outro]

Each human being, it doesn't matter if he's a

Politician, or a business man or a...

Just an ordinary person like me, in the street

It's our business as a human being to realize the enormous suffering, misery, confusion there is in the world

And it's our responsibility to change all that
