Like You Madly

Just Jinger

You look to me like someone new
And i wish I could talk to you
But you seem tied up
So I'll leave you to make your mind up
Is it me or youI like you madly, like you madly
All the same
I like you madly, like you madly
All the sameI want you to take my mind
To some place new perhaps not now
I'm not meant for you perhaps in time
You'll find a way
That I can call you and see you again, yeahI like you madly, like you madly
All the same
I like you madly, like you madly
All the sameAre you scared to look inside
Are you scared to read my mind
Are you scared of what you'll find
Don't be scared, 'coz I'm alright, I'm alrightI like you madly, like you madly
All the same
I like you madly, like you madly
All the sameYou look to me like someone new
And I wish I could talk to you
But you seem tied up
So I'll leave you to make your mind up
Is it me or you, yeahI like you madly, like you madly
All the same
I like you madly, like you madly
All the sameI like you madly, like you madly
All the same
I like you madly, like you madly
All the same
I like you madly, like you madly
All the same
I like you madly, like you madly
All the same
I like you madly, like you madly
All the sameI like you madly, like you madly
All the same
I like you madly, like you madly
All the same
I like you madly, like you madly

All the same
I like you madly, like you madly
All the same
I like you madly, like you madly
All the same
